	☐	☐	☐	☐	☒
	1	2	3	4	5

- What did the participant(s) enjoy most about this activity?

The participants enjoyed a lot buying musical instruments because as teenagers are very dynamic and energetic! So, by buying their own musical instruments can express their creativity and energy and of course their passion for music!

- What new skills or knowledge did the participant(s) gain?

First of all the teenagers, with their own musical instruments, will strength their memory skills, they will be able to focus on progress and of course to boost their confidence! Sure this may be a motivation, as they can practice anytime and in their own place, to compose their own music or improve as singers! In addition they gain valuable life skills such as discipline, perseverance and confidence!

- How will this experience help the participant(s) in developing their talent further?

The students now, with their own instruments in hand, can explore their creativity, improve their technique and develop their artistic potential! The teens can delve deeper into their instrument or even in vocal technique, discovering new dimensions of their talent! And of course they will improve their prospects and strengthen their audition portfolios!
